# INTRODUCTION

**Hello. Today, we're teaching on Do NOT Be Left Behind!! These are words you need to hear.**

**You need to see. You don't want to be left around; left behind. What is that talking about?**

**"Your Christian friends, neighbors, and relatives have left planet Earth. JESUS," in Hebrew, YESHUA, "has come for them because they have trusted HIM for their life, both now and forever." Not just words with the mouth, but a belief in their heart. And at times, there's a big distance between our mouth and our heart. May it not be so. "You, have not, you missed it. This will help you have a second chance, but the world's clock is ticking. Listen carefully and take it to heart and get JESUS.**

# CHAPTER 1

**When we came to Texas, before GPS, there were times I'd be talking, thinking, praying, watching and went many places that I never intended to go. I got lost; took a turn here, took a turn there. We did the same thing today and we unfortunately ended up late- but not too late. Thank GOD. But we didn't get JESUS wrong. If I had to pick one of the two, knowing my way around down here, or knowing how to get to HIM and stay close to HIM- get the direction to JESUS right first. All the rest will come as a result of that.**

**Left behind? Let's talk about that a little bit. Picture this: People have left. They're gone. You're still here. There's an event called the rapture, called harpazo in Greek. This is known as a snatching away; where GOD literally comes for HIS people, takes them out off the face of the Earth, to heaven, as a bride, and the world then is ripe for a judgment; a just judgment. GOD is fair. People, there are rules in baseball. There are rules in football. Parents typically, prayerfully, have good rules at home, and they try to teach and look to teach good morals, good values, good ethics, and respect to GOD, your family, to yourself, and to others. It's the right thing to do.**

**There is, in this world, life. There is right and there is wrong. There is good and there is unfortunately, evil, and there's much of that in the world today, but GOD has a plan. And we are living, now that it's 2020, in what's called the end days or the last of the last days. Not the end of time, but the end of this time, this cycle, and things are winding down. I think even a blind person could see when you look on the world, notably the Middle East, something is happening: moral decay in homes, culture, lack of respect for the elderly, lack of respect for others, things people do for fun. They'd be locked up for many of them years ago.**

**JESUS opens the door of heaven and his heart to everyone. It's not a matter of merely going to church, although you should not forsake the gathering together of your family. The church is a family. GOD has a family and they're first generation, or brothers and sisters, not grandkids. You have a direct relationship with God, and a direct relationship with each other. A saint from 2000 years ago that you see in heaven is as much brother John, as a friend's name is John that you know here on Earth from two years ago. You're going to hear things, if you're here, when the church leaves. That day is coming. Every day, it's a day sooner. You can see by the media that the world is moving in another direction. It will enter into what we call a period of judgment in the Bible. It's in Jeremiah 30, verse 7, "Jacob's trouble"; the tribulation in the New Testament.**

**And to address one point...because we have a sense someone's going to need this here directly... somebody wrote us once, "Oh, we've always had tribulation. There's always been difficulty in the world. There's always been bad times." True. JESUS, who's the final say in all things here, said, this will be a tribulation such as has never been or ever will be. This is a unique one. This is worse than Noah's flood. And Noah's flood, for the skeptics, twofold, has been shown to be evidenced in over 130 different cultures, in some form or another. That story is embedded in human history, in the minds of ancient cultures and civilization, to this day.**

**So, GOD always, of course, has shown to be right all the time. I would stay with GOD, people. Do not believe what you hear from the news media. They will rise to power a broker. A person who will broker a world peace that will bring the world into pieces. Because only the Prince of Peace, JESUS CHRIST brings true peace to us. And we're not talking about religion. We're talking about a relationship. Religion as spoken about in the book of Jacob (also called James in the English) and originally Jacob in the end of the first century, says, "this is pure and undefiled religion, in the sight of GOD, to visit widows and orphans in their distress, to keep himself unspotted, like the Levitical sacrifice, unspotted from the world."**

**The world thinks it's going into peace and safety. When they're talking about peace, (world peace and safety) and everything's fine, then sudden destruction will come upon them, as a woman with child. It's not going to be pretty, people.**

**You boast, "We have entered into a covenant with death and the grave, and we have made an agreement. When an overwhelming scourge sweeps by, but it can't touch us." You think, "we're okay. We can hide from GOD." "But we have made a lie our refuge," and a falsehood our hiding place." See what the sovereign Lord says: "See, I set a stone in Zion, Zion a tested stone." (That would be JESUS CHRIST by analogy.) "A precious cornerstone for a sure foundation; the one who trusts," That should be you so listen carefully. "The one who trusts will never be dismayed." Never is forever. He will never, or she will never be dismayed. "I will make justice for the measuring line and righteousness the plumb line; hail will sweep away your refuge," no place to hide, "the lie, and water will overflow your hiding place. Your covenant with death..."**

**See, they thought it's a covenant with peace. It's sealing the deal. It's a covenant with death. "Will be annulled," canceled out. "Your agreement with the grave will not stand. When the overwhelming scourge sweeps by, you will be beaten down by it." Isaiah, Old Testament, 28:15-18.**

**The Old Testament prophets were phenomenal. If they ever said, "Thus says The Lord," and it didn't come to pass, they'd be executed, period. You didn't just try to be a prophet and see how it works out. These people were time-tested. You have no comparison in the world, to this day. You have people that had varying levels of insight and gifting and intuition and all but if they had to go by a percentage, pretty much none of them would make it to any old age. The prophets of the Bible were 100% accurate.**

**For example, there's one in Isaiah 27, verse 6. It talks about Israel having fruit to feed the world. In this case, feeding Europe. It's a fulfillment. You look on a map, I've never seen a map that you can actually fit the name Israel over the land itself. It doesn't fit. How does this little country feed Europe? What technology, what minds, what gifting, what wisdom, what agricultural sense have they developed as a gifting from God to do what they do and make a barren place? When Mark Twain went there years and years ago, he saw a few Bedouins. Literally, just a few. It was a barren land. It was wasted. It was even poisoned by some people who had lived there at the time.**

**50 years later, it's a breadbasket for the world, and it's phenomenal what GOD has given them. In the last year or so, they found natural gas, which makes them a potential of being a world player for natural gas sales. Recently, on the Golan Heights, which separates Israel from Syria, on Israel's side, they just found oil, and a large cache of oil; as GOD only could do. GOD is blessing them, both materially and spiritually.**

**Watch Israel. It's the center of the world. It's GOD's eye. And it's a city of the great King. Jerusalem, Judah's shrine is there.**

***Read Romans 10: 9 and 10, John 3:36, and John 3:16. These are foundational for your faith. Some people would say, "Well, do you mean if I just say a few words and little platitudes and act nice to GOD, I'm in? So what, so Hitler or a mass murderer could say something five minutes before they die, and they can go to heaven? And that nice old person that lives next door to me doesn't just because he doesn't know JESUS?"***

**That'd be yes, no, yes. Yes, if you understand it like us. No, not the way you framed it. Yes, we'll make it clear. A person could confess with their mouth and say anything. Most people do. They just say whatever comes to their mind. But to believe in your heart, you need a heart transplant. GOD doesn't put new wine in old skins. The old comes out, spiritually speaking, and puts a new one in. So, you can't make stuff up. Hitler could say all day, JESUS and all the right things. He could read the Bible. I have a picture of him in a church history magazine years ago, walking out of a church building. You could walk in and out. You could stand in your garage, doesn't make you a car. Doesn't mean a thing. That's often done for appearances. Actually, that's very hypocritical and GOD hates the double-minded person. In Greek, double-minded**

**means double soul. Oh, one is from GOD by birth. Who's the other one from? Be careful what you hook up with, people. It's dangerous when it's not GOD.**

**So, believe in your heart that JESUS is LORD and GOD raised HIM from the dead. Those two things are foundational. Can a person actually have an epiphany that in the last moments of their life, their heart is wide open to GOD? Uh, yes. That happened to my father, who accepted GOD at 90 years old on the last day of his life. A good man, but not a GOD man. And he got to a right place with GOD. When I was watching my father at 85, 86, 87, I'm asking GOD, I'm showing GOD - he's getting old. Clock's ticking. And GOD stopped me and let me know in no uncertain terms what I needed to know. HE said, "Everything has been put in place, everything, for your father to make the right decision." And GOD told me, "I love him infinitely more than you do." See, this is a GOD who's a GOD of love, and mercy and justice and war, but HE desires mercy over justice. Mercy will be merciless to the one who shows no mercy. Mercy triumphs over justice.**

**So, you confess with your mouth and you believe in your heart. A person who just says a bunch of words before they die, GOD's going to take their heart and weigh it, and look at the real motive behind the words. And isn't that true for everybody every day, in everything we do? How many people are just acting it, faking it all the way through? There's a philosopher who said (and they get it right sometimes) "the heaviest of all chains are those of your own making." You can't**

**lie to GOD. Impossible. HE knows everything already. You can't lie to yourself. You already know that. You're going to fool people. You could destroy your 20-year relationship in 20 seconds. And it's very hard to get back what you broke apart by lying. Don't do it. Don't do it. It's not worth it. Never is.**

**John 3:36, "Whoever believes in The Son has eternal life." What a deal. "Whoever rejects The Son will not see life, for GOD's wrath remains on him." What about those people who have never heard or have never seen before? GOD has revealed himself in nature. Romans 1:20. HE's revealed himself in the sky above, in astronomy, the true study of the stars. Not astrology, the occultic garbage where you worship the stars. The stars actually have Hebrew names. And when you translate them, they all pay homage and show JESUS CHRIST as LORD and SAVIOR, and the gospel story in the stars. That's why before we even had a written Bible, GOD already wrote in the sky. So, Adam could tell his children all the way down the line, this is what to look for. When you do his age comparative charts, all the way down to Noah, he could talk all the way down to Lamech and they can hear their great, great, great grandfather all the way back to Adam, tell them what this all means. The Bible in the stars reads like a book.**

**I remember having a discussion at the gym once with this young man from India. And when I told him, "This is the only faith, the Judeo-Christian faith, where you could look up in the sky, and that talks about JESUS from beginning to end in the sky." He said, "Well, that's very interesting. I have two small brothers. I'm going to go tell them." Go tell them, because how do you orchestrate the stars and creation for your belief system? Can't do it, unless the one who created us and the stars, creation itself, has the same consistent message, so on Earth as it is in Heaven. So, in nature below, in the sky above, and on your conscience. In the Bible in Romans 2:12-16, it talks about in your mind, that we accuse and excuse each other because we have a conscience. You know what is right and wrong.**

**The gentlemen, Don Richardson, who wrote *The Peace Child*, who went to different lands to witness to them and teach them about CHRIST, found wherever he went, he found the 10 commandments on people's hearts and souls. He went to a tribe of cannibals, which is pretty interesting. I used to envision him and his wife looking like, "Oh, I haven't tried this before." So, you got to have great faith to go, for GOD, to some parts of the world. "But the love of GOD is greater." And while there, they witnessed to them about the Gospel. The Cannibals thought, "Judas was the good guy." Because they were lying, conniving, in their cannibalistic training for about 15 years in the cannibalistic cultures, as our studies have evidenced; lying to get to your prey.**

**So, one opportunity came to him once where two tribes were fighting each other, his and another. And he witnessed something stunning. During the fight, somebody reached into a woman's hut, on their side, took a baby, and brought it to the other camp, and gave it to them and said, "This is the peace child. We're giving you a human life. As long as this child lives, we must have peace because this child is the peace child." When he dies, you go back fighting. So, it's a nice thing, but it's temporary. He goes, "Oh, GOD, thank you. Now, I know what I have to do." He called the whole tribe to witness, talked to them, led the whole tribe to CHRIST. They got it because we have the ultimate peace offering. Our peace offering, JESUS CHRIST holds his office as our High Priest forever!**

**HE holds HIS office eternally. How long? Eternally. Once for all, for all people. Once for all, for all. Now, John 3:16, the most known and beloved verse in the Bible and the New Testament says "For GOD so loved the world that HE gave..." When you love, you give. "HE gave HIS only begotten Son, that whosoever..." which means stick your name in there, and if you're left behind, put your name in there and get it right, right now. Right now. Don't play with this. No one's promised tomorrow. "For GOD so loved the world that HE gave his only begotten Son, that whosoever would believe in HIM should not perish but have everlasting life."**

**Pascal, the scientist, said once, the greatest discovery he ever made was GOD. And he said, "You have a GOD-shaped vessel inside you that only GOD can fill because it fills with HIS shape. It fills with GOD. GOD inhabits HIS people." It's amazing how HE, who the highest heavens can't contain, said by King Solomon in the dedication of the temple in First Kings Chapter 8: 6, 7, 8. GOD dwelt in a temple and GOD now dwells in human temples. GOD wants a relationship with you, but you have the power of yes and no, out of your own heart. Free will is very expensive, so be careful how you spend it, it is the coin of the realm.**

**JESUS is eternal. Read John 10:30, 8:58, 20:28. In John Chapter 1, verses 1 to 5. Get a Bible, start reading. If you're a believer and you just started, most will start with the gospel of John, but read through the whole Bible. It's not how many times you go through it, it's how much of it goes through you. That's what you want to know.**

**Be careful about confusing JESUS and somebody else. We had a young man once who was very, very intelligent person, a person who the government was looking to hire on, great SAT scores, brilliant, the whole thing. We talked to him once about GOD, and this is what he did, that you must not do. He said, "Well, JESUS is in me, and Mohammad's in me, and Buddha's in me." We told him, "Man, that's way too crowded in there. You can't get everybody in. It doesn't fit." He used some expletives. We told him he's way too smart to be talking that way, and he quieted down.**

**After his 10 minutes, we talked about the next 45. We felt that was a worthy trade. And afterwards, he started nodding his head in agreement, having listened. So, please listen.**

**You make a single solitary confession. You don't have to be the greatest orator, but you got to be honest, with integrity. And you don't have to know. You could just say, "LORD, this world is not working. People are lying, cheating, stealing. I don't know from one day to the next. There's an earthquake here. There are volcanic eruptions there. I see things happening in places where the Bible already prophesized it." (Earthquakes in diverse places, which means not where they usually occur) Somebody could say, "Oh, yeah, we've always had earthquakes." Yeah, but never on this scale in the last few decades. You could look at markers for the United States Geological Society and other places, and let the evidence be evident to you. It speaks volumes there. But what JESUS said was more telling. He said, in diverse places. We're having these things in areas where we have not had them before, i.e. Texas. It's almost unheard of.**

**And in the last couple of years, we've had a number that had begun to shake the ground underneath. Not shaking big yet but shaking for sure. It's unsettling, unless you're resting in someone who's infinitely solid and secure, who made us a promise. "Heaven and Earth will pass away, but My Word will not." You all trust people. You trust the people who make your food. You've never met them. You trust the person who flies the plane. You don't know if they're**

**on drugs, if they're going to be a terrorist and just crash the plane, which has happened. You don't know if they're in a bad mood that day. How much trust you have all day for all the things you encounter from food to flying to friends, to everybody else. Do you know what's going on in the gas tank? Do you know how much ethanol is in there? Do you know how corrosive it is in some of the lines inside the system? Are they telling you everything there?**

**But you trust them because you act with an implicit trust for people who have not even earned that level of trust. If you would trust GOD with at least the level that you trust people with during the course of your day, most of you would already be believers in CHRIST right now. GOD will never be met with a challenge that HE cannot answer. So, to those who are a little more skeptical, fine. Be the best skeptic you could be. We got better skeptics in the Bible who came to faith. St. Paul was one.**

**Why don't you do this: A 30-day challenge. You know those 30-day challenges for exercise and weight loss and everything else? Good. Put GOD at the top of your list. Say, "GOD, for the next 30 days, I will get on my face every day and cry out to you, in integrity, with a deal. Reveal yourself to me, show yourself to me, make it real for me. And once I know that for sure, I will give you my life, as YOU give me YOURS." And the evidence will be evident there. Do that with integrity and keep your part of the deal. I've never seen a case where it has failed. Not a mockery, not a game, but you show up and do it.**

**You can do this if you can do a 30-day challenge for diet and a 30-day challenge for exercise. You go to the gym. You don't walk around the gym. You don't go lay on a sit-up exercise machine or a sit-up board and read your paper. But you do it. You do this for 30 days, and you make this deal with GOD from wherever you are. HE wants you more than you want HIM, and HE'LL show you that there. Try it. Your eternity is at stake. HE wants you to have it more than you do. Confess your sins. You messed up; HE can clean it up. As for forgiveness, because you can't forgive yourself. Repent means metanoita in Greek, teshuvah in Hebrew. In Greek, to turn around, change your mind, renew your mind. In Hebrew, it's basically what comes from the power of the cross that destroys the place, that fortress of your mind and heart, where that thing was lodged. It destroys it so it has no place to live. Your sin becomes homeless. There's no other place in you to stay.**

Some of them you will kill and crucify; others you will flog in your synagogues and pursue from town to town. And so upon you will come all the righteous blood that has been shed on earth, from the blood of righteous Abel to the blood of Zechariah son of Berekiah, whom you murdered between the temple and the altar. I tell you The Truth, all this will come upon this generation. “O Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, but you were not willing. Look, your house is left to you desolate. For I tell you, you will not see ME again until you say, ‘Blessed is HE who comes in The NAME of THE LORD.’”**

## **Consider Strongly:**

**Make a single solitary confession to  
THE LORD JESUS CHRIST:**

**Confess your sins;  
Ask for forgiveness;  
Repent;  
Ask HIM to come into your life,  
Ask HIM to be your LORD and  
SAVIOUR.**

## 2 Corinthians 5:17

**“Therefore, if anyone is in CHRIST, he is a new creation; the old has gone, the new has come!”**

**-2 Corinthians 5:17**

**NOW, for those left  
behind:**

**DO NOT** take the  
mark of the beast!

**DO NOT** worship the  
image!

**DO NOT** take his  
name!

**Ask HIM to come into your life and be your LORD and SAVIOR. So again, "you confess with your mouth that JESUS is LORD, and believe in your heart that GOD raised HIM from the dead, you will be saved," eternally. "For it is with your heart that you believe and are justified, and it is with your mouth you confess and are saved." Romans 10: 9-10. That's just a reference point. You don't have to know the references as much as really know what it says, and do IT, period.**

**2 Corinthians 5:17. "Therefore, if anyone is in CHRIST, you are a new creation." The old stuff is gone, people. It's a new birth. The old has gone. Bye-bye. "The new has come." That's a promise of GOD. You don't like your life; you hate your life? Please don't try suicide. You would have a death sentence on top of you, because where you would go is not going to be good. Plus, you will be a murderer of yourself. You didn't create yourself; you don't have the right to kill yourself. Things are tough. Go to the one who hung it all out there on a cross, on 4-3-33AD and said, "paid in full," = Nishlam. John 19:30, which is the right translation, for it is finished, paid in full, with you in mind. So, HE cleared your debt, made a way. JESUS is your Only True Way.**

**Again. You're at that time period, you do not take the mark of the beast. Do not worship his image. Do not take his name. In Revelation 13 and 14, there's going to be a lot of deception. It is possible, minus a fraction, almost possible that the deception will be so off the charts, you're going to confuse who's who. This is the time we're going in. You need The HOLY**

**SPIRIT, the very Spirit of GOD. The HOLY SPIRIT is GOD. It's FATHER, SON, HOLY SPIRIT. And it's not three gods. It's one GOD, and he would say "echad": a compound unity. One where there's another, often. One GOD with three personal self-distinctions, period. I'm a human, I'm a man, and I'm someone's son. When did I become human, a man, and son? At the same time. I'm not one times one times one. I'm not one plus one plus one. I'm fully human, I'm fully my father's son, and I'm a man. Or a woman, as the case should be for a woman. We can understand it with those analogies.**

**There's an interesting way you could check in the sciences. It is called the triple point of water. Water is a solid, a liquid, and a gas. We all know that. But in a vacuum state environment, they can coexist at the same time. Those are a few physical examples of an ultimate reality about the very essential intrinsic nature of GOD. Believe. It's evident.**

**The world is going to come through a tough time, people. If you're going to go through it, go through it. And even if one's life is lost, your eternity is safe. You make it to the end, you'll be saved. So, you're safe.**

**This is what's coming up, Daniel 9:27. "And he," meaning an antichrist, "will confirm a covenant with many for one" week of years = 7 years. That's happening in the Mid-East today. These things are in motion. It will come to this final document, confirmed. You have everything from Oslo Accords and other things before. There was an accord, but there are**

**different treaties and events that are moving toward a place in the near and nearer future than when we started. They're trying to push for this right now in Israel. The United Nations is pushing. The quartet: United States, Russia, the EU, and the United Nations. The quartet are pushing, all hands pushing, full court press, to push Israel and the Arabs to sign this document that GOD has talked about.**

# CHAPTER 4

## Read Revelation 13 and Revelation 14:9-12

**“And the dragon stood on the shore of the sea. And I saw a beast coming out of the sea. He had ten horns and seven heads, with ten crowns on his horns, and on each head a blasphemous name. The beast I saw resembled a leopard but had feet like those of a bear and a mouth like that of a lion. The dragon gave the beast his power and his throne and great authority. One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was astonished and followed the beast. Men worshipped the dragon because he had given authority to the beast, and they also worshipped the beast and asked, “who is like the beast? Who can make war against him?” The beast was given a mouth to utter proud words and blasphemies and to exercise his authority for forty-two months. He opened his mouth to blaspheme GOD, and to slander HIS NAME and HIS Dwelling Place and those who live in heaven. He was given power to make war against the saints...**

**...and to conquer them. And he was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast – all whose names have not been written in the Book of Life belonging to THE LAMB that was slain *from the creation of the world*. He who has an ear, let him hear. If anyone is to go into captivity, into captivity he will go. If anyone is to be killed with the sword, with the sword he will be killed. This calls for patient endurance and faithfulness on the part of the saints. Then I saw another beast, coming out of the earth. he had two horns like a lamb, but he spoke like a dragon. he exercised all the authority of the first beast on his behalf and made the earth and its inhabitants worship the first beast, whose fatal wound had been healed. And he performed great and miraculous signs, even causing fire to come down from heaven to earth in full view of men. Because of the signs he was given power to do on behalf of the first beast, he deceived the inhabitants of the earth. he ordered them to set up an image in honor of the beast who was wounded by the sword and yet lived. he was given power to give breath to the image of the first beast, so that it could speak and cause all who refused to worship the image to be killed. He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name. This calls for wisdom. If anyone has insight, let him calculate the number of the beast, for it is man's number. His number is 666.”**

**-Revelation 13**

**“A third angel followed them and said in a loud voice: “If anyone worships the beast and his image and receives his mark on the forehead or on the hand, he, too, will drink of the wine of GOD’s fury, which has been poured full strength into the cup of HIS wrath. He will be tormented with burning sulfur in the presence of the holy angels and of THE LAMB. And the smoke of their torment rises for ever and ever. There is no rest day or night for those who worship the beast and his image, or for anyone who receives the mark of his name.” This calls for patient endurance on the part of the saints who obey GOD’s commandments and remain faithful to JESUS.”**

**-Revelation 14:9-12**

**“He will confirm a covenant with many for one ‘seven.’ In the middle of the ‘seven’ he will put an end to sacrifice and offering. And on a wing of the temple, he will set up an abomination that causes desolation, until the end that is decreed is poured out on him.”**

**-Daniel 9:27**

**“Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come upon the whole world to test those who live on the earth.”**

**-Revelation 3:10**

**The Tribulation will start once  
the Middle East peace treaty  
has been signed with the  
antichrist.**

**Stay strong in  
THE LORD,  
and in the  
power of HIS  
Might.**

**When it happens, the clock starts ticking. There will be seven years of 30-day months, and then JESUS will return. HE WILL come for HIS people first, right before it. And then everyone else will go through the toughest time. And before they kill each other off and destroy the world, and everyone on it, JESUS will return and stop the fighting. And those who are HIS, who come through it, who are left behind, but said, "Okay, I made a mistake once. I'm not going to make it twice. I'll give YOU my life and soul," they will be able to stay. The others, who haven't died, will be taken off the face of the Earth. Why? Because GOD owns it. And he's not going to start a millennial kingdom with a mix again. Those people have earned the right to stay, by trusting HIM. Not by doing pushups, but by trust in GOD. Not by works, but by faith, you're saved. Do you trust HIM? You can. You should. You must, now.**

**The tribulation starts once it's signed. Just stay strong. Trust HIM, you'll make it. Ephesians 6: 10-17, even 10-18. Learn to put on the armor of GOD. Be strong. Don't be weak. GOD likes when you're strong. (I understand what is meant but a new believer or non-believer reading this might take it at face value, leading to legalism. 2 Corinthians 12:9 states *Gods power is made perfect in our weakness*). Keep yourself fully armored up. That cross is your power base. Keep your faith. Don't sell it. There was once a false Jewish Messiah who, when he got pressured by the Arabs, he was captured by the Arabs, he became a Muslim. That's ridiculous. There are many dedicated people in the world today, that there's one true faith. JESUS CHRIST is LORD.**

**Acts 4:12. "Salvation is found in no one else." So, don't run off a bunch of lists of names. Been there, done that, studied that for decades. Don't. It's not worth it, and it's not true. "For there's no other name," that's "no other name under heaven by which man must be saved." Acts 4:12, it's not JESUS *and*, it's JESUS *only*.**

**Look up. "Set your mind on the things above, not on the things in the Earth." Colossians 3:2. Spend a lot of time in the Bible. At the end of the seven years, heaven will open up. JESUS will return, at the end of the seven years to come to Earth. Before the seven years, to take the church out, as a bridegroom for the bride at the end of the seven years, to come down and establish HIS kingdom, and stop the world madness. Remember, HE came once as a lamb, HE's coming back as a lion. You do not want to cross HIM and be on the other side. Seek The LORD while HE may be found. Call upon HIM while HE is near, because the time is ticking. And it's going.**

**"You choose who you serve. But as for me and my house, we will serve The LORD." And while you're counting the days, count them down. 2,520 days. 1,260 days for the first half, three-and-a-half years, then the other half of the seven years. Three-and-a-half years is 1,260 days, 2520.**

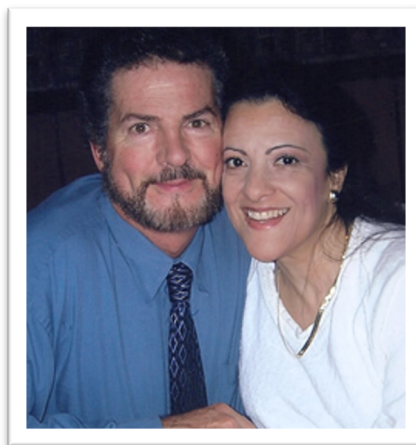

**Scratch marks on a rock, on a wall. Count them out in your head, and you can do a countdown and HE will be back the next day at the very end, without delay. So, be patient. For HIS Glory. Count the days!**

**Make sure you are HIS. DO NOT get left behind! Please! Bless you and we all Love you!!**

**Joel B. Young** was born in New York in 1955, to Jewish parents. He grew up going to Hebrew School from childhood to his late teens. As a young man, Joel Young, while continuing his Biblical studies, found the reality of our LORD and SAVIOR YESHUA through personal experience. He says, "God has been very gracious to me, giving me ever deeper revelatory truth from HIS WORD."

Joel Young has been teaching The Bible as a Messianic Jew since his mid-twenties. His knowledge of the Old Testament, the Jewish culture and tradition, Hebrew, the New Testament, combined with his hunger for the truth and his search for the deeper things of GOD have made him quite an extraordinary teacher.

Joel Young married Danielle, a Doctor of Medical Dentistry, in 1989. Because of prompting from THE HOLY SPIRIT, they moved to Texas. Dr. Young is currently President of FOR HIS GLORY Ministry, based in Richardson, Texas.

Joel Young, with Danielle Young and Truman Blocker, have just completed a 608-page book on Biblical codes found in the Old Testament which demonstrates that the New Testament is clearly concealed in the Old Testament. It is extraordinarily documented. Its mathematical perfection revealing YESHUA (JESUS) in the Old Testament in code is expertly woven into evidence for faith and solid reasons to believe.

Joel Young's teachings are available on tape. His emphasis is on The Deeper Things of God. If you think, in desperation, that there must be more, well, there is! Come and see...
